

Professional Services for MSPs

Get the Most Out of JumpCloud

Additional Professional Services

JumpCloud Professional Services (JCS) is a team of experts who can help you get the most out of JumpCloud. JCS is available for all JumpCloud customers and can help you with a variety of tasks, including:

- Onboarding new users and devices
- Troubleshooting issues
- Customizing JumpCloud settings
- Integrating JumpCloud with other applications
- Providing ongoing support and maintenance

JCS is available for a flat fee of \$1,500 per month (plus applicable taxes and fees). This fee includes everything you need to get started with JumpCloud, including a dedicated account manager, 24/7 support, and access to all JumpCloud features. JCS is available for a 12-month term, with a 30-day trial period.

For more information about JCS, please contact your account manager or visit [jumpcloud.com/professional-services](#).
